Forecast for Sunday 02 Apr 2023

Weather: A mostly cloudy day with hill fog and some drizzle in the morning. Dry in the afternoon. Some sunnier skies may affect Mull and northwest Lochaber from morning and the cloud elsewhere will gradually lift, thin, and later break.

Chance of cloud-free hill tops above 800m: 20% until mid morning lifting 75% in the afternoon and more than 90% in the evening.

Low Cloud and visibility: Cloud at 500-750m in the morning, lifting up to, then above the tops during the day and then becoming more broken in the evening. Occasionally poor visibility at first in drizzle but then becoming good away from cloud, if rather hazy.
